About Company

SIA "White Elephant" is a joint venture of Latvia and Ukraine, which was founded in 2021.

After the start of the war in Ukraine, it was decided that it was necessary to support the Ukrainian economy and start realizing previously discussed opportunities for cooperation.

The company started its operations with the import of insulation materials in the Baltic region, seeing the situation in which the Ukrainian producers found themselves and the demand in Europe, in December 2022 the company also turned to the trade of various products in the territory of the Europe.

SIA "White Elephant" brings together people with more than 10 years of experience in trading both in Europe and Ukraine. Currently, the company has a representative office in Latvia and Ukraine, ensuring fast, high-quality cooperation.
